Dr. Gary Chapman identified five love languages (different ways that people feel loved): Words of Affirmation, Quality Time, Acts of Service, Gifts, and Physical Touch.

- Which of these languages best “speak” love to you?
- Which one do you “speak” most to others?

## LEARN & APPLY

- Read Isaiah 16:5 What does this promise tell you about God?
- Read John 3:14-17 What do these words of Jesus tell you about God?
- Read 1 Corinthians 13:1-13 What does this passage reveal about the character of God? Which aspect do you appreciate most today?

## PRAY

Lord, we confess when we truly see your love for us, we are all too aware of how weak our love for you is, and for those around us. Thank you, Lord, that your love for us is not dependent on us, but is purely a gift of who you are, given freely to us through Jesus' saving work. Infuse our hearts today with your amazing love for us, so that your love might spill out, through us, to others who also need to see your love for them. Amen.
