LEARN & APPLY

Read Mark 1:8-14

- John the Baptist gave some specific examples of how people can show their faith in how they work their day jobs. What does this have to do with 'fruit in keeping with repentance'?
- What do you think John is saying that God cares about in our daily lives?

Read Colossians 3:23-24

- How might this verse apply to you, in what you do with your time and energy each day?

Read John 17:15-23

- What is Jesus revealing here about what his people are meant to be for and in the world?
- What makes it hard to see how the Lord can use your daily life to his glory?
- Are there ways that you can already see that Jesus is using your life as a 'kingdom spark' in the world?

PRAY

Holy Spirit, show me where you want to move in my daily life, and daily vocations to reveal who you are - both through my strengths, and through my willingness to confess my need for your strength in my life. May your kingdom come, your will be done, in me. Amen.
