What does it take to be 'teachable'? What things keep us from being teachable? Why?

# LEARN & APPLY

## Read 1 Samuel 16: 5-13

- What was God looking for in David? Why do you think God didn't put him into the role of King right away?

## Read 1 Samuel 17: 32- 50

- What traits do you see in David here?

## Read 2 Samuel 17: 16-22

- Why do you think Michal sees this differently than David?

## Read 2nd Samuel 12: 7- 13, and Psalm 51

- What do these passages tell you about David? What do they tell you about God?

## Read 1 Chronicles 22:8-10

- What does this tell you about David? What does it tell you about God?

## Read John 7: 18-24

- How does Jesus' teaching here connect with what we learn from David about being 'after God's heart'?
