Learning to Live Without Judging

This week we are learning to live without judging others, by trading our own insecurity and fear for compassion and relational solidarity in Christ.

Soul Training

Option 1:

Go three days without gossip. Gossip is when you speak the faults of others when they are not present. Don't mention someone else's shortcoming to another person for three days this week and try not to participate when someone else does this in your presence. Instead, focus on that person's positive characteristics or pray for God's blessing in their life in order to cultivate relational solidarity and compassion for them.

Option 1 & 2:

Regular habits of private Bible reading strengthen our relationship with God and teach us how to follow Jesus. In addition to the thematic exercise above, you can use this guide each week to lead you through relevant sections of the Bible.
