## The Serving Community

### This week's learning goal:

We are being formed for the good and beautiful community by learning to receive and share the outward focused love of Jesus.

## Soul Training

---

### Option 1 & 2:

*Think about the life situations in which you are looking out for yourself. Perhaps, you like to choose what your family has for dinner, or you do not like letting other drivers into the lane in front of you. Maybe, you avoid certain people at work so that you are not stuck helping them when they are in a jam, or you have simply chosen not to be there for someone that is enduring a difficult life circumstance in order to save your own time. Whatever the situation is, take time this week to reverse your approach. Let your family choose dinner. Look for the opportunities to let other drivers go ahead of you. Seek out your work peers who need your help. Step in with support for the people struggling through life crises. In doing so, we are learning to build a good and beautiful community by putting the needs of others ahead of our own.*

### Option 1 & 2:

*Regular habits of private Bible reading strengthen our relationship with God and teach us how to follow Jesus. In addition to the thematic exercise above, you can use this guide each week to lead you through relevant sections of the Bible.*
