

# GROWTH GROUP DISCUSSION

## CONNECT

Tell the story of a time someone invited you to something and you accepted the invitation. How was the experience for you?

## LEARN & APPLY

**Read John 1:35-37.**

- Why did these disciples follow Jesus?
- What does this tell you about their relationship with John? About them?

Have you ever pointed out where you think Jesus is at work in your life? How did people respond?

**Read John 1:38-42.** Knowing what resulted, what do you imagine happened during this day with Jesus?

**Read John 1:39 and John 1:43-46.** Philip presents no theology or 'sale.' He just echoes Jesus' style in offering an invitation to come and see. How is this similar or different than other evangelistic approaches you've known?

**Read John 1:47.** Nathanael comes skeptical, and Jesus welcomes his honesty as virtue.

- What would it look like for us to imitate Jesus in honoring those who speak honestly when it comes to their questions and doubts?
- What does this interaction tell us about Jesus?

## PRAY

Lord, help us take the next step you have for us and help others take a step with you from wherever we are. Teach us to lead by your love. Amen
