LEARN & APPLY

Read Isaiah 65:17-25 and Revelation 21:1-5 & 22:1-5

Compare these Old and New Testament passages. What do they share?
Who is the main "actor?"

Why do you think God wants to create a New Heaven and Earth?

What promises of God bring you hope in these scriptures?

Share three things in the world that could use renewing or healing?

Have you ever had to make a hard decision, or turn down an opportunity because you had made a promise to someone? What did it cost you?

What needs renewing in your life? What is getting in the way?

PRAY

Pray for God to create an opportunity to encourage a neighbor by sharing a promise from God's word in a humble way.
