CONNECT

If you could have a “do-over” moment in your life, what would it be?

LEARN & APPLY

Read Exodus 16:1-36; John 5:39-47 & 6:26-40

- Moses understood to be a “type of Christ” in the Old Testament. In looking at these passages of scripture, where do you see similarities between Moses and Jesus? Where do you see differences?
- What do you think about the actions and attitudes of the other characters in these stories?
- What are some ways that you tend to “grumble” toward God?
- What are the “Egypt” in your life that you return to when you are struggling? How might God be calling you to “Let them go?”
- Are there other people in your life who are stuck in Egypt? How could you be a sign of God’s presence and love for them?

PRAY

Take time to pray that God would bring freedom from those places of bondage in one another’s lives and in the lives of other family and friends.
