How would you describe Elijah's condition (physical, emotional, spiritual, and mental) during the course of this story? What are the contributing factors to his condition?

Do you think Elijah's struggles and statements disqualified him from serving as God's prophet? Why or why not?

Where and how do you see God caring for Elijah?

Have you felt overwhelmed with grief, anxiety, or despair this past year? How has it impacted your relationship with God and other people?

What might God be asking you to do with the things you have experienced this past year?

PRAY

Dear Lord Jesus, we have seen, heard, and felt so many painful things this past year. You, alone, can understand the depths of sorrow that are carried by your people because you, alone, carried them to the cross. Help us trust in the healing you purchased for us. Fill us with compassion toward others. And show us the path forward into the new year by your grace. In your name we pray. Amen.
