

## GROWTH GROUP DISCUSSION

### CONNECT

Share about a time when you received something that was wonderful, unexpected, and unearned.

### LEARN & APPLY

Read Mark 4:1-20

- What do you think is Jesus' main point in this passage?
- Do you relate to any of the soil types today? Why?
- How does this passage of scripture challenge you? How is it a message of God's grace to you?
- In what ways do you spread "seed" in your corner of the community?
- What is most difficult for you in extending grace to those in your corner?
- Have you ever experienced someone rejecting the Word you were attempting to share with them? What did you learn from that experience?
- How have you experienced God's grace through the words and actions of someone else? What did you learn?

### PRAY

Take time to prayerfully consider some individuals in your corner who are in need of a special touch of God's grace. How will you connect with them this week? Then, pray as a group for the Holy Spirit to inspire you with the right time, heart, and words to share.
