What do you think Jesus meant in comparing mustard seeds and yeast to the Kingdom of Heaven?

Have you seen this principle at work in your life? How?

How does this relate to what Jesus says about the "leaven of the Pharisees?"

Do you ever feel insufficient or inadequate in who you are or in what you have to offer? How does this impact your relationships?

How do the words of Jesus spoken to the Apostle Paul bring you hope?

How could God use an area of weakness in your life to reveal his strength? How would this be a way of seeing grace in our community?

PRAY

What are some small ways you could "sow seeds of grace" in your family or community this next week? Share ideas with the group. Make a plan. Then pray for the Holy Spirit to empower each other.
