LEARN & APPLY

What encouraged or challenged you from this week's sermon?

Read John 3:16-17 & Luke 4:16-19

What are some particular words that stand out to you from these two passages of scripture?

How are these words of Jesus good news to you?

Imagine you were speaking to someone who has never heard the Gospel. How would you share the good news with them in one or two sentences?

Read Galatians 1:3-9; 2:15-16

Do you think verses 3-4 are a summary of the Gospel? Why or why not?

What does it mean to "live in the grace of Christ?"

What do you think Paul means when he suggests some people are trying to confuse or "pervert the gospel of Christ?"

Have you ever felt confused about the meaning of the Gospel? If so, how have you dealt with this confusion?
