

## GROWTH GROUP DISCUSSION

### CONNECT

- Who was your closest friend in middle school? Share about them.

### LEARN & APPLY

- What stood out to you about this week's sermon and why?

Read John 1:35-51

- Why did the Creator, Lord God of the universe, call his twelve disciples personally?
- What are the different approaches that Jesus used in calling his disciples in this passage? How did Jesus call you?
- Why do you think Jesus used fishermen instead of people from religious schools or seminaries (both existed) to be his first followers?
- How would you respond to Jesus' question, "What do you want?" What do you think Jesus wants of you?
- What is one area of personal spiritual growth that you would like to pursue this year? What is your next step in moving toward that growth?

### PRAY

Who are some people that you could invite to "Come and See" what Jesus is doing? Make a list and pray for them with your group. Reach out to one or two of them this next week.
