

2022 Seller's Guidelines and Regulations

- On June 18th, the morning of the Sale, please enter the church parking lot on Linden Street. We will guide you through the check-in process in an expedient manner. At this time you will find out the location of your spots for the Sale.
- We will start letting sellers in at 6:30 AM. Find your spots and **ensure you take everything out of your vehicle first.** **Then,** in order to avoid traffic jams and foot traffic, **you must move your vehicle to the designated parking area following the direction of our parking team.** Due to many factors, the designated parking area is still TBD. Please know a shuttle will be by soon to provide a ride back to the church (by 7:30 at the latest). **Please remember to follow this guideline so that buyers can park as close as possible.** If buyers must park far away, we will not get as many buyers & they will hesitate to buy as much or very few large items. We will assist you in getting back to your vehicle after the Sale, and will also be assisting buyers who have purchased larger items.
- Remember to bring your own tables, chairs, shades/umbrellas, bags and/or packing supplies, sunscreen, etc.
- Selling time is between 8 AM & 1 PM. **Please clear away your whole area when you are finished.** We will be on hand to help whenever possible as you are setting up and tearing down. Let one of us know if you need help or have questions.
- Sites are assigned by a veteran volunteer team when the \$10 non-refundable fee (per spot of 2 parking spaces) is received with the Registration form. Then, you keep all the profits!
- Food Trucks will be available in the church parking lot. We respectfully ask sellers to refrain from selling food and beverage items, as well as any potentially "inappropriate" items, such as guns, knives, pornography, etc.
- Community of Grace Lutheran Church is not responsible for any theft or damage of property.
- Thank you for leaving your area as clean as you found it! We will check you out when you are ready to go. A map to the local Goodwill will be provided if you are looking to drop off of certain items..
- **Hope you enjoy this community event and have a successful sale. Looking forward to seeing you on June 18.**
