Read Psalm 40 As you read this psalm aloud, think about what stands out most to you, in your situation, and also consider, if you lived in Haiti, what parts might stand out to you? Share your thoughts with the group.

Read 1 Samuel 2:7-10 "It is not by strength one prevails". What do you think is meant by these verses? Why are we tempted to think this?

Read Isaiah 58:10-11, and Matthew 25:34-40 What connections do you see between this prophesy of Isaiah, and the words of Jesus?

What is God saying to you today?

How is he calling you to respond?

PRAY

Lord, Bless our sister churches in Haiti, as they work to bless those around them with your love. May we be truly grateful for what we have, as we share with our neighbor, as people of your grace. Amen
